

Nexx helmets is a premium helmet brand that boast 100% European manufacturing. These helmets are hand made in Portugal using the most advanced manufacturing techniques. The CEO & Founder, Helder Loureiro is a motorcycle enthusiast with a real passion for innovation and design. The composite materials, attention to detail and revolutionary design represents the fulfillment of more than a decade's worth of his research and development. This helmet is all about craftsmanship & function wrapped in a style that uniquely belongs to Nexx.
